Arkansas, 2011 Mississippi, 2012

LEED® Accredited Professional, 2004

### **Active Memberships:**

American Society of Plumbing Engineers (ASPE) – Memphis Chapter Treasurer (2011-2013)

#### **Experience:**

With over 16 years of engineering experience, Jeremiah Watson serves as the Managing Principal for Innovative Engineering Services.

Upon graduating from University of Memphis with a Bachelor of Science in Mechanical Engineering, worked in the manufacturing industry for General Motors & AK Steel. In 2002, he entered the design consulting industry and has contributed to the development of numerous projects. These projects span across market sectors such as: Aviation, Commercial Office, Federal Government, Healthcare, Higher Education, Hospitality, K-12 Education, Logistical Distribution, Manufacturing, Multi-Family Housing, Non-Profit, Public Municipalities, Religion, Science & Technology, Transportation, Telecommunication and Sustainability.

In 2009, Jeremiah was named one of the Top 40 Engineers Under 40 by Consulting-Specifying Engineering Magazine. Also, in 2009, Jeremiah was recognized by General Mills as a Feeding the Dreams Local Hero for his commitment to community service.
